

i7 PC Module

InFocus

The New Way to Collaborate

PC Upgrade for Your Mondopad or BigTouch

Slide out the old. Slide in the new. Swap the PC in your Mondopad or BigTouch for a new PC with faster performance and upgraded connectivity.

Primary Improvements

- Faster processor and double the RAM for snappier performance and more efficient multi-tasking
- More capability with processor-intensive applications
- HDMI out port for display out functionality
- Bluetooth 4.0 added
